StarDance ALLIANCE AWARDS SHIPPING PROCEDURES

MISSING AWARDS AT SHOW

- If awards are missing from a show, there is a QR Code to scan labeled '**MISSING AWARDS**'. The tabulator is responsible for scanning this code and completing the form to have the item shipped. This request will be sent to the company coordinator.
- If a studio communicates to you that they have to leave before the awards, and asks if we will mail them their awards, we CAN do that. Use this same QR code.
- If a studio leaves their awards, or does not pick them up, **WE ARE NOT AUTOMATICALLY SHIPPING THEM**. If they call after the fact and ask for them to be mailed, the registration director will add that request to a separate document.
