

MEDIA FEES

Reminder on the new media fee... There is an additional media fee of \$39 that covers all SDA Nationals, WDP and WDC. If a dancer is attending all three, they only need to pay the media fee once.

WDC INFO

Please be sure to review the WDC information so that when clients ask about pricing, hotels, schedule, etc., you can answer them quickly. Entry fees are \$89/dancer per routine PLUS the \$39 Media Fee per dancer (if they are attending an SDA National Championship, the fee is already paid there)..

Our website has ALL of this information (*minus the entry fee price*).

www.worlddancechampionship.com

REMINDER: Because the WDC filled so quickly last year, all studios who were invited to compete at all SDA Battles were invited to bring any ONE routine of their choice to the 2024 WDC. All studios need to do is email info@worlddancechampionship.com to let us know which routine they are bringing.

WEEK 7 IS UPON US!

Congratulations! We have made it to WEEK 7 of our regional season!!! One more week, and we will all get a slight break from traveling.

Please know how much our incredible SDA staff is appreciated... especially as we get into the thick of our season and the tiredness won't go away. We can do it!

STORE TV REMOTES

It seems that MANY of our weekend warrior staff have been misplacing/losing the remote controls to the Store TVs. Over Easter weekend, every remote will be attached to the TV with a 'remote control cable tether' (as shown here), so this does not continue to be an issue.

TRANSFER BINS

PLEASE remind your Tabulators that when they open the Transfer Bins each week, they have been restocked with items that were requested from the week before. These are always labeled if they go to the store, backstage, etc. We have repeatedly been finding that the bins are being sent back with those restock items in them, so they are not being distributed.

Welcome Baby Jaxon!

CONGRATULATIONS

to Chrystan Sheatzley on the birth of her gorgeous baby boy!

Welcome to your SDA Family Jaxon!!!

BABY
